

Giants Beat Tigers In Opener

Following Little League Opening Day parade and ceremonies last weekend, the Giants beat the Tigers 11-3. Irv Palica, the winning pitcher, held the Tigers to no hits, but gave 9 walks and 3 runs in the last inning.

Chuck Robinson, starting pitcher for the Tigers, had trouble finding the plate and gave the Giants 6 runs in the first inning before Mike Venable came to his rescue. Jimmy Willis did the big damage with a two-base hit with the bases loaded.

Willis, Greg Eberle and Charles Thorne led the Giants with two-hits each. The Tigers could not fathom Palica, getting nary a hit and striking out 16 times.

French invent iced coffee

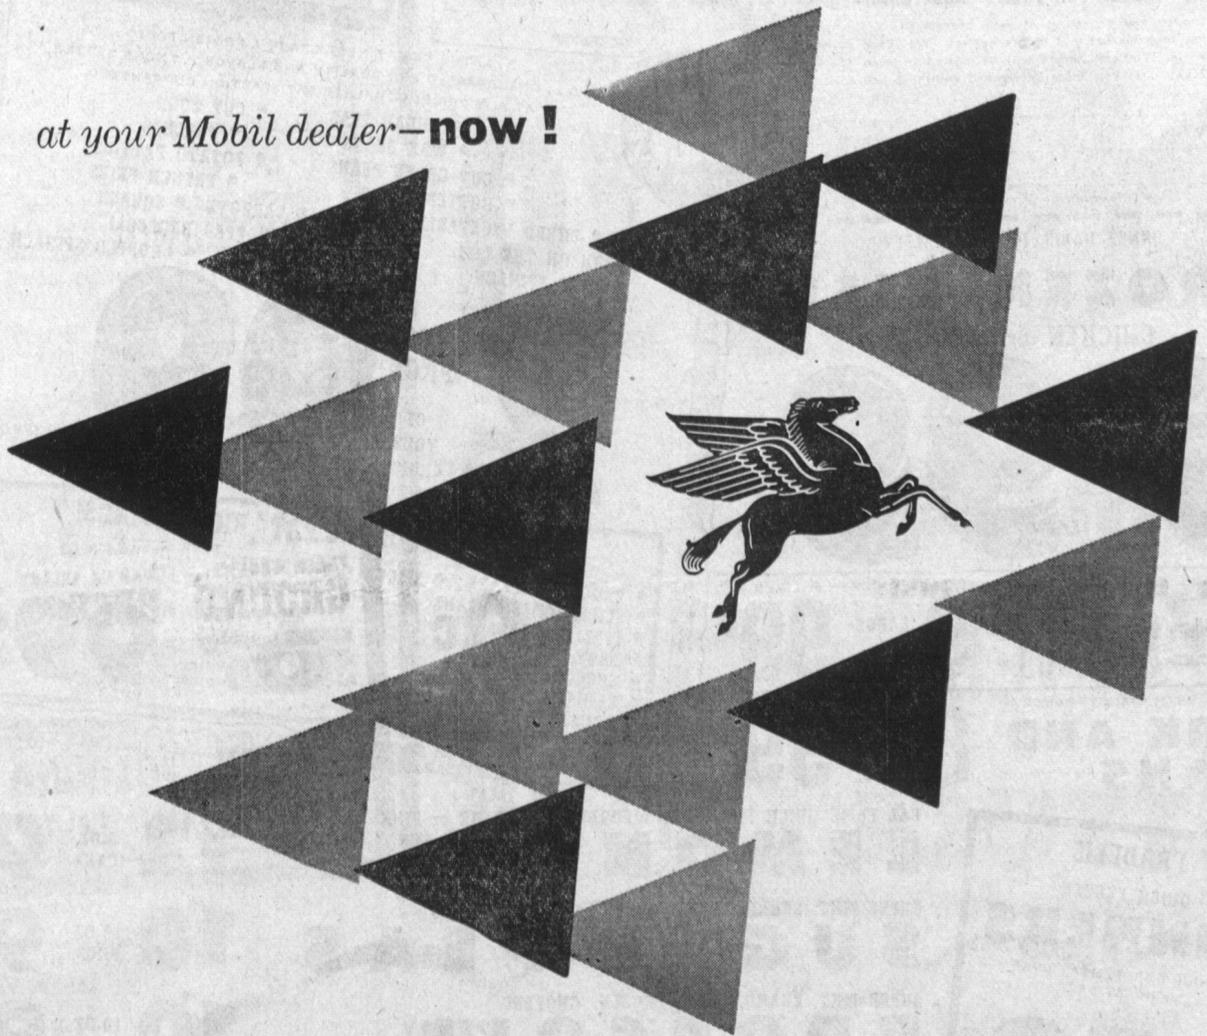

The French can be thanked for inventing iced coffee. More than 125 years ago, French colonial soldiers stationed at Fort Mazagan, Algeria found that drinking a syrup made of coffee with icy water made the intense desert heat more endurable.

The soldiers carried the vogue back to Paris, where the drink is to this day called Cafe Mazagan.
